

**Delhi Public School Kashi**

(Under the aegis of Delhi Public School Society, New Delhi)

**HOLIDAY HOME-WORK  
CLASS IV  
SESSION (2025-26)**

**THEME: LET'S EMBRACE  
NATURE**

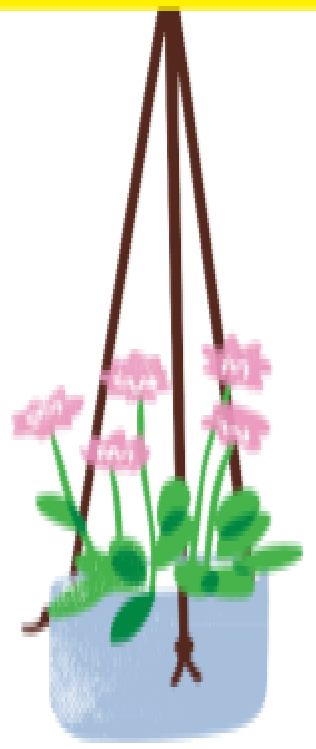

## Note to Students:

Mother Nature has a lot to offer. Let us embrace mother nature this summer season and learn more on it!

## Note to Parents:

Parents are requested to guide their children in successfully completing the worksheet.

# Embracing Nature

## My Nature Walk (EVS)

Go for a walk in your nearby garden or park. List different types of trees, plants, birds or insects , you observed during your nature walk. Note them down on an A4 sheet.

## A Day Without Nature (English - Creative Writing)

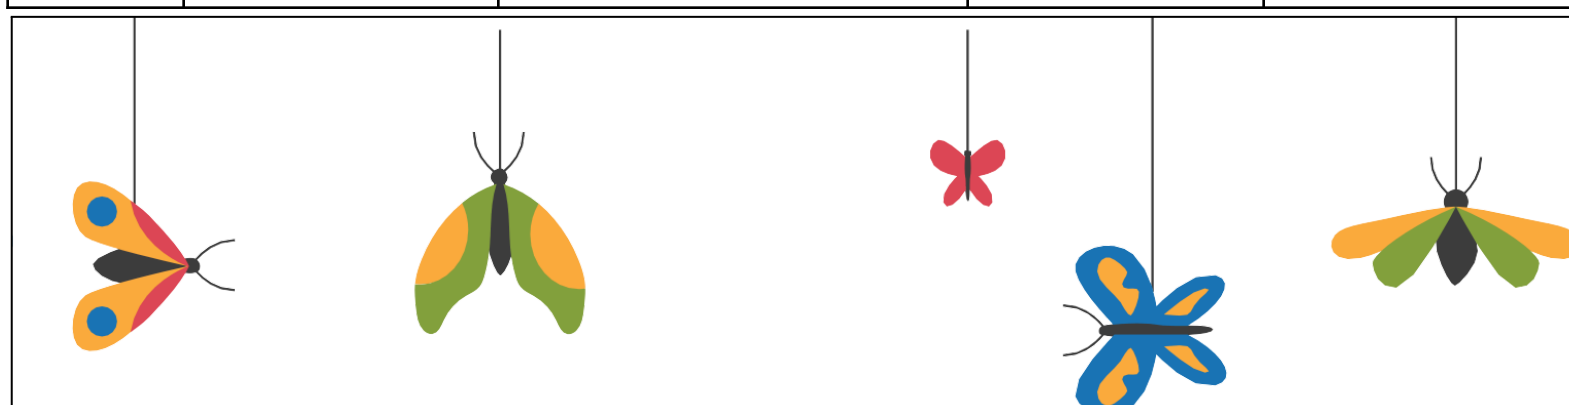

Imagine a world without trees, plants, birds, animals or insects you have observed. Describe what it would look like, sound like, and feel like. What would you miss the most about nature?

# MATHEMATICS (IN ENVIRONMENT)

Mathematics is all around us. As we discover more about our environment and our surroundings, we see that nature can be described mathematically. The beauty of a flower, the majesty of a tree, even the rocks upon which we walk can exhibit nature's sense of symmetry.

Take five examples of mathematical concepts (for eg Symmetry, patterns, Tessellation) from the Environment and complete the table given below.

S.no.	Example from environment	Picture (Stick/Draw)	Mathematical concept	Explanation
1.	Beehive		Tessellation	Beehive is a tessellation of hexagons
2.				
3.				
4.				
5.				

# COMPUTER

Create a Power Point Presentation about nature conservation. Include images of nature, slogans, and important messages. (Upload your presentation on ERP)

# HINDI

प्रकृति के महत्व पर एक निबंध लिखिए। (100-150 शब्द)

# SANSKRIT

कक्षा में पढ़ाए गए पांच – पांच फूलों और पक्षियों का चित्र बनाते हुए संस्कृत में उनका नाम लिखिए । ( एक सुंदर स्वयं निर्मित फाइल बनाकर उसमें लगाएं )
